

THOMAS REAL HONEST REVIEWS

REAL REVIEWS FOR REAL PEOPLE.

I test products the way my viewers actually use them: in my yard, my kitchen, my truck and my studio. Unboxing, setup, real-world testing and what didn't work, all on camera. No fluff, no fake hype.

WAYS TO WORK TOGETHER

Custom collaboration packages available upon request.

Dedicated review

A full 4K video about your product: unboxing, setup or install, real-world testing, and an honest verdict.

Video integration

A shorter segment inside a related video, such as a roundup, comparison or how-to.

Amazon Storefront video

A 4K product demo made for Amazon, which can appear on the product page and on my Storefront.

Multi-product showcase

Several related products in one video, each with its own chapter.

Long-term follow-up

A revisit after months of real use, like my one-year VEVOR test.

Custom campaign

Built around your launch, timeline and goals.

THE FINE PRINT

RATES

Custom collaboration packages available upon request.

HONEST REVIEWS

Every review is my honest opinion. I don't guarantee a positive review, views or sales, and sponsored content is always disclosed.

USAGE RIGHTS

Rates cover making and publishing the content on my channels. Paid ad usage, whitelisting, licensing and raw footage are separate and quoted on request.
